Memo No. Ch-23/Billing-149
Dated: 08.08.2008

Subject: **ENERGY CONSERVATION MEASURES IN LIGHTING SECTOR.**

The paras of this notification are reproduced below:

“2B. Mandatory use of Compact Fluorescent lamps (CFLs) and T-5 (28 Watt)
Tube Lights:

(a) The use of Compact Fluorescent Lamps (CFLs) and/or T-5 (28 Watt) energy efficient tube lights and/or Light Emitting Diode (LED) lamps shall be mandatory for all electricity consumers in industrial, commercial and institutional sectors having connected load of 30 Kilo Watt or above.

(b) In all Central Government Offices and Central Public Sector Undertaking Institutions/establishments located in the State of Haryana, the use of Compact Fluorescent Lamps (CFLs) and/or T-5 (28 Watt) energy efficient tube lights and/or Light Emitting Diode (LED) lamps shall be mandatory.

The consumers under the above categories shall have to replace all conventional bulbs and tube lights in their establishments with CFLs/Light Emitting Diode (LED) Lamps/T-5 (28 Watt) tube lights on or before **15 August, 2008**, at their own cost.

**Note:** In case of non-compliance of these orders, the Power Utilities Department shall have the power to disconnect the electricity connections after serving due notice after the expiry of the deadlines mentioned above. The Executive Engineer (Operation) of the Power Utilities Department shall be the enforcing authority of these orders and they shall send quarterly progress reports in this regard to the Additional Deputy Commissioner of their district who in turn shall submit a compiled quarterly report to the Renewable Energy Department, Haryana (the State Designated Agency under the Energy Conservation Act, 2001 (52 of 2001)).”
5. Mandatory use of Energy Efficient Street Lights:

It shall be mandatory that the street lighting in all existing and new colonies and urban areas notified by the Urban Local Bodies Department, Haryana Urban Development Authority Sectors, Haryana State Industrial and Infrastructure Development Corporation Industrial estates, housing complexes, colonies and townships developed by private/semi government/autonomous institutions shall use energy efficient street lighting fixtures using T-tube lights/Light Emitting Diode (LED) Lamps/Low Pressure Sodium (LPS)/High Pressure Sodium Vapour (HPS)/induction area lamps.

The above said organizations responsible for street lighting systems shall have to replace the conventional street lights or install energy efficient street lights on or before 31st March, 2009, at their own cost.

Note:- In case of non-compliance of these orders, the Power Utilities Department shall have the power to disconnect the electricity connections after serving due notice after the expiry of the deadlines mentioned above. The Executive Engineer (Operation) of the Power Utilities Department shall be the enforcing authority of these orders and they shall send quarterly progress reports in this regard to the Additional Deputy Commissioner of their district who in turn shall submit a complied quarterly report to the Renewable Energy Department, Haryana (the State Designated Agency under the Energy Conservation Act, 2001 (52 of 2001)).

You are hereby directed to follow the above instructions meticulously and send quarterly progress report in this regard to the ADC

Further, in respect of para 2B above, the needful has to be done by the consumers by 15th August, 2008. So a report in this matter may be submitted to this office positively by 31st August, 2008. The above instructions should be brought to the notice of all concerned for careful and meticulous compliance.
