Instructions to bidder on Electronic Tendering System

**These conditions will over-rule the conditions stated in the tender documents, wherever relevant and applicable.**

1. **Registration of bidders on eProcurement Portal:-**  
All the bidders intending to participate in the tenders processed online are required to get registered on the centralized e - Procurement Portal i.e. <https://haryanaeprocurement.gov.in>. Please visit the website for more details.
2. **Obtaining a Digital Certificate:**
  - 2.1 The Bids submitted online should be encrypted and signed electronically with a Digital Certificate to establish the identity of the bidder bidding online. These Digital Certificates are issued by an Approved Certifying Authority, by the Controller of Certifying Authorities, Government of India.
  - 2.2 A Digital Certificate is issued upon receipt of mandatory identity (i.e. Applicant's PAN Card) and Address proofs and verification form duly attested by the Bank Manager / Post Master / Gazetted Officer. Only upon the receipt of the required documents, a digital certificate can be issued. For more details please visit the website – <https://haryanaeprocurement.gov.in>.
  - 2.3 The bidders may obtain Class-II or III digital signature certificate from any Certifying Authority or Sub-certifying Authority authorized by the Controller of Certifying Authorities or may obtain information and application format and documents required for the issue of digital certificate from:  
**M/s Nextenders (India) Pvt. Ltd.**  
O/o. DS&D Haryana,  
SCO – 09, IIInd Floor,  
Sector – 16,  
Panchkula – 134108  
**E - mail:** [Chandigarh@nextenders.com](mailto:Chandigarh@nextenders.com)  
Help Desk: 1800-180-2097 (**Toll Free Number**)
  - 2.4 Bid for a particular tender must be submitted online using the digital certificate (Encryption & Signing), which is used to encrypt the data and sign the hash during the stage of bid preparation & hash submission. In case, during the process of a particular tender, the user loses his digital certificate (due to virus attack, hardware problem, operating system or any other problem) he will not be able to submit the bid online. Hence, the users are advised **to keep a backup of the certificate** and also keep the copies at safe place under proper security (for its use in case of emergencies).
  - 2.5 In case of online tendering, if the digital certificate issued to the authorized user of a firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate/power of attorney /lawful authorization to that User. The firm has to authorize a specific individual through an authorization certificate signed by all partners to use the digital certificate as per Indian Information Technology Act 2000. Unless the certificates are revoked, it will be assumed to represent adequate authority of the user to bid on behalf of the firm in the department tenders as per Information Technology

- Act 2000. The digital signature of this authorized user will be binding on the firm.
- 2.6 In case of any change in the authorization, it shall be the responsibility of management / partners of the firm to inform the certifying authority about the change and to obtain the digital signatures of the new person / user on behalf of the firm / company. The procedure for application of a digital certificate however will remain the same for the new user.
- 2.7 The same procedure holds true for the authorized users in a private/Public limited company. In this case, the authorization certificate will have to be signed by the directors of the company.
- 3 **Opening of an Electronic Payment Account:**  
Tender document can be downloaded online. Bidders are required to pay the tender documents fees online using the electronic payments gateway service. For online payments guidelines, please refer to the Home page of the e-tendering Portal <https://haryanaeprocurement.gov.in>.
- 4 **Pre-requisites for online bidding:**  
In order to bid online on the portal <https://haryanaeprocurement.gov.in> , the user machine must be updated with the latest Java. The link for downloading latest java applet is available on the Home page of the e-tendering Portal.
- 5 **Online Viewing of Detailed Notice Inviting Tenders:**  
The bidders can view the detailed N.I.T and the time schedule (Key Dates) for all the tenders floated through the single portal eProcurement system on the Home Page at <https://haryanaeprocurement.gov.in>.
- 6 **Download of Tender Documents:**  
The tender documents can be downloaded free of cost from the e-Procurement portal <https://haryanaeprocurement.gov.in>.
- 7 **Bid Preparation (Technical & Financial) Online/offline Payment of Tender Document Fee, eService fee, EMD fees and Submission of Bid Seal (Hash) of online Bids:**
- 7.1 The online payment for Tender document fee, eService Fee & EMD can be done using the secure electronic payment gateway. The Payment for Tender Document Fee and eService Fee can be made by eligible bidders/ contractors online directly through Debit Cards & Internet Banking Accounts and the Payment for EMD can be made online directly through RTGS / NEFT .  
The secure electronic payments gateway is an online interface between contractors and Debit card / online payment authorization networks.
- 7.2 The bidders shall **upload** their technical offer containing documents , qualifying criteria, technical specification, schedule of deliveries, and all other terms and conditions except the rates (price bid).  
The bidders shall **quote** the prices in price bid format.
- 7.3 Submission of bids will be preceded by submission of the digitally signed & sealed bid (Hash) as stated in the time schedule (Key Dates) of the Tender.
- NOTE:-**  
(A) If bidder fails to complete the Online Bid Submission stage on the stipulated date and time, his/hers bid will be considered as bid not submitted, and hence shall not appear during tender opening stage.

- (B) Bidder participating in online tenders shall check the validity of his/her Digital Signature Certificate before participating in the online Tenders at the portal <http://haryanaeprocurement.gov.in>.
- (C) For help manual, please refer to the 'Home Page' of the e-Procurement website at <https://haryanaeprocurement.gov.in>, and click on the available link 'Download' to download the file.

#### **Guidelines for Online Payments in e-tendering**

Post registration, bidder shall proceed for bidding by using both his digital certificates (one each for encryption and signing). Bidder shall proceed to select the tender he is interested in. On the respective Department's page in the e-tendering portal, the Bidder would have following options to make payment for tender document & EMD:

- a. Debit Card
- b. Net Banking
- c. RTGS/NEFT

#### **Operative Procedures for Bidder Payments**

##### **A) Debit Card**

The procedure for paying through Debit Card will be as follows.

- (i) Bidder selects Debit Card option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount and the card charges to be paid by bidder. The portal also displays the total amount to be paid by the bidder.
- (iii) Bidder clicks on "Continue" button
- (iv) The e-Procurement portal takes the bidder to Debit Card payment gateway screen.
- (v) Bidder enters card credentials and confirms payment
- (vi) The gateway verifies the credentials and confirms with "successful" or "failure" message, which is confirmed back to e-Procurement portal.
- (vii) The page is automatically routed back to e-Procurement portal
- (viii) The status of the payment is displayed as "successful" in e-Procurement portal. The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same,
- (ix) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

##### **B) Net banking**

The procedure for paying through Net banking will be as follows.

- (i) Bidder selects Net banking option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount to be paid by bidder.
- (iii) Bidder clicks on "Continue" button
- (iv) The e-Procurement portal takes the bidder to Net banking payment gateway screen displaying list of Banks
- (v) Bidder chooses his / her Bank
- (vi) The Net banking gateway redirects Bidder to the Net banking page of the selected Bank
- (vii) Bidder enters his account credentials and confirms payment
- (viii) The Bank verifies the credentials and confirms with "successful" or

“failure” message to the Net banking gateway which is confirmed back to e-Procurement portal.

- (ix) The page is automatically routed back to e-Procurement portal
- (x) The status of the payment is displayed as “successful” in e-Procurement portal. The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same.
- (xi) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

C) RTGS/ NEFT

The bidder shall have the option to make the EMD payment via RTGS/ NEFT. Using this module, bidder would be able to pay from their existing Bank account through RTGS/NEFT. This would offer a wide reach for more than 90,000 bank branches and would enable the bidder to make the payment from almost any bank branch across India.

- i. Bidder shall log into the client e-procurement portal using user id and password as per existing process and selects the RTGS/NEFT payment option.
- ii. Upon doing so, the e-procurement portal shall generate a pre-filled challan. The challan will have all the details that is required by the bidder to make RTGS-NEFT payment.
- iii. Each challan shall therefore include the following details that will be pre-populated:

Beneficiary account no: (unique alphanumeric code for e-tendering)

Beneficiary IFSC Code:

Amount:

Beneficiary bank branch:

Beneficiary name:

- iv. The Bidder shall be required to take a print of this challan and make the RTGS/NEFT on the basis of the details printed on the challan.
- v. The bidder would remit the funds at least one day in advance to the last day and make the payment via RTGS / NEFT to the beneficiary account number as mentioned in the challan.
- vi. Post making the payment, the bidder would login to the e-Tendering portal and go to the payment page. On clicking the RTGS / NEFT mode of payment, there would be a link for real time validation. On clicking the same, system would do auto validation of the payment made.

NECESSARY INSTRUCTION/TERMS & CONDITIONS FOR THE BIDDER

Sr. No.	Necessary instruction/Terms & Conditions for the bidder
1.	Tender must be submitted on prescribed tender form and complete in all respects and submitted through e-procurement mode only. No other mode like email/fax etc. shall be acceptable.
2.	Tender enquiry has been floated for procurement of material as specified in NIT for fixing the rate contract valid for one year from the date of issue of rate contract (which can be extended further for one year with the mutual consent of purchaser and supplier at the same rates, terms & conditions).
3.	Tenderer must carefully study the technical specifications and general terms and conditions before preparation of tender. All terms and conditions of NIT and Corrigendum shall be applicable.
4.	The tenders not meeting the requirement of pre-qualification conditions, necessary terms and conditions of the NIT and Nigam technical specifications shall be rejected.
5.	The bidders shall have to pay for the tender documents, EMD Fees & e-Service Fee online by using the service of secure electronic payment gateway. The secure electronic payments gateway is an online interface between contractors/suppliers and online payments authorization networks. The payment for Tender Document Fee and eService Fee can be made by eligible bidders/suppliers online directly through Debit Cards & Internet banking Accounts and the Payment for EMD can be made online directly through RTGS/NEFT. The Bank charges, if any, will be to the account of the tenderer. No claims against the Nigam either in respect of interest if any due on the Security deposit/Earnest money or its depreciation in value shall be admitted
6.	Detailed procedure for depositing earnest money, order preference to Haryana firms, delivery schedule and other terms and conditions are contained in SOT & schedule D of tender documents. Each tender document is required to be signed by his authorized representative alongwith stamp and is to be uploaded thereafter.
7.	The following tenders shall be exempted from the deposit of earnest money. (i) Wholly Govt. of India owned undertakings. (i) Wholly State owned undertakings of Haryana.
8.	The tenders should remain valid for 180 days from the date of opening of tender (Part-I in case of two part tender) otherwise the same will not be accepted and rejected out-rightly.
9.	The offers/tenders will be opened on the date and time prescribed in the Notice Inviting Tenders. In case the date of opening falls on a holiday including Sunday or a holiday is subsequently declared on that date, the tenders will be opened on next working day following the holiday.
10.	All tenders/offers will be regarded as constituting an offer or offers open to acceptance in whole or in part until the last date of validity as prescribed in the notice inviting tenders or as indicated by the tenderer in his tender/offer, whichever be later.
11.	The price must be quoted in Indian Rupees and any mistake in calculating the rupee price will not justify the claim for increase in prices.
12.	Authenticated documents to prove authority of signatory (legal power of attorney in favour of signatory) <b>must be uploaded</b> . Memorandum of article and Memorandum of association of the firm, if applicable, shall also be <b>uploaded with the tender</b> . The firm shall submit the detail information in the performa of particular of bidder. <b>(Annexure-III)</b>
13.	The tenderer shall give details of immovable property i.e. land, building, machinery, exact location of their property and copy of constitution/balance sheet alongwith the tender. <b>The</b>

	<b>document shall be uploaded by the supplier/s.</b>
14.	Tender not adhering to Nigam's delivery schedule will not be considered.
15.	If more than one bid is submitted by any/one bidder, (having same registered office), the same shall be rejected.
16.	The deviations in Technical & Commercial terms and Conditions, if any, must be brought out clearly on the performa enclosed ( <b>Annexure-V</b> ), failing which it will be presumed that the same are acceptable in to-to.
17.	Tenderer/s shall submit their offer in an ambiguous free wording failing which UHBVN/UHBVN interpretation will be final.
18.	The tenders shall be submitted in two parts. Part-I shall consist technical details and commercial terms and part-II shall consist price bid only. Part-II i.e. price bids shall be opened on a date to be intimated separately for the purpose.
19.	<b>Purchase Preference:</b> The provision for purchase preference shall be as per policy/ guidelines issued by the State Govt. vide G.O. No. 2/2/2010-4 I B II dated 19.12.2011 and/or latest instruction issued by the State Govt.  All other Policy decisions/ guidelines on procurement of Stores through the Directorate of Supplies and Disposals as applicable for the state of Haryana are also applicable in this case (Unless stated /decided otherwise). The instructions/guidelines issued by Govt. of Haryana vide G.O. No. 2/2/2010-4 I B II dated 28.05.2010, G.O. No. 2/2/2010-4 I B II dated 19.12.11, G.O. No. 2/2/2010-4 I B II dated 18.06.13, G.O. No. 2/2/2010-4 I B II dated 16.6.2014, G.O. No. 2/2/2010-4 I B II dated 9.02.15 & G.O. No. 2/2/2010-4 I B II dated 24.03.15 are available on website <a href="http://www.dsndharyana.gov.in">www.dsndharyana.gov.in</a> . the bidders are requested to download the same from website and read carefully before submitting the tender. It shall be presumed that the bidder has read these instructions/guidelines and agreed the same, while evaluating for tender submitted by the firm/supplier/tenderer.
20.	The revision of price bid after opening of Part-I i.e. technical and commercial part of the tender is not allowed. In case of withdrawing the same within the validity period, EMD shall be forfeited.
21.	If any of the firm fails to supply the material within stipulated delivery period, then the leftover quantity of said firm shall be considered for allocation to the firm (s) supplying material under the same NIT and performing better. This clause shall be applicable after issuance of purchase order of the minimum quantity of Rate Contract and with mutual consent of Nigam and the remaining suppliers under the same NIT. The defaulting firm shall have to fulfill its contractual obligations against the minimum quantity of the rate contract, else shall have to bear penal action as per the provisions in the NIT.
22.	<b>Arithmetical Errors:</b> - in case of any inconsistency in the prices furnished, the purchaser shall be entitled to consider the lowest prices for the purpose of evaluation and award of contract. All arithmetical errors will be rectified on the basis of the unit price or total price (in figures and in words) whichever is more beneficial to the purchaser.
23.	In the event of a firm not favoring the delivery commitments of the previous contracts, this fact will weigh against the firm tendering against a subsequent enquiry and be treated as disability. Before issue of the letter of intent or of placing the order, the previous order should be fully discharged or a reliable under taking should be given that it would be done within a reasonable period and within scope of the previous contract, if the firm declines to give this undertaking, it would be considered ineligible for competing against any subsequent tender/order and the current order would automatically pass on the next lower firm.
24.	The tender shall be issued by UHBVN/DHBVN for fixing the rate contract on behalf of both the power utilities i.e. UHBVN & UHBVN. However, all the purchase orders will be issued by CE/MM of respective utilities in a phased manner depending on the requirement of stores.

	The PQRs and other liabilities of the bidder shall be as per minimum quantity offered.
25.	<p>Material offered should be strictly according to the technical specification attached with the tender documents as laid down in Annexure-A of Schedule D (Part-I) to the Terms and conditions of the contract. Unless a deviation in the specifications given in Annexure 'A' is pointed out by the tenderer specifically, it will be presumed that Offer/tender conforms to the specifications as laid down in Annexure 'A'.</p> <p>However, in case of any ambiguity in the Nigam's technical Specification, the provision of relevant IS with latest amendment will prevail. The concerned Director /Projects, shall be the deciding authority in such cases.</p>
26.	EMD is liable to be forfeited in case of evidence of cartel formation by the bidder(s). The provision for penal action in case of cartel formation by the bidders shall be as per clause No. 9 of policy (guidelines) issued by the State Govt. vide G.O No. 2/2/2010-41 BII dated 28.5.2010.
27.	The purchaser reserves the right to reject any or all the tenders received without assigning any reason.
28.	The firm failing to accept the LOI/RC after having made commitments before SPC/HPPC (Nigam)/HPPC (Govt.) shall be blacklisted/ debarred from doing business with Nigam and earnest money of the firm shall be forfeited.
29.	The bidder shall submit alongwith his tender documents, the details of his production capacity, orders in hand/pending with quantity, value and delivery schedule of the material /equipments in question. <b>The document shall be uploaded by the supplier.</b>
30.	The bidder shall submit all the requisite documents pertaining to the plant from where the material will be supplied. <b>The document shall be uploaded by the supplier.</b>
31.	List of customers to whom the material in question has been supplied/orders executed financial year wise and their performance certificates shall be enclosed by the Tenderer. <b>The document shall be uploaded by the supplier.</b>
32.	No change in GTPs/technical parameters/drawings submitted alongwith bid shall be allowed in case the offered material is as per technical specification of Nigam.
33.	The tenderer must submit a hard copy of all the documents related to part-I ( i.e. techno-commercial terms and conditions, where the tender is invited in two parts) uploaded on the site for the said tender duly certifying that these documents are same as uploaded on designated website, within 4 days of opening of part-I. (All affidavit & undertakings should be submitted in original with hard copy).
34.	<p><b>Submission of Quality Assurance Procedure</b></p> <p>The Vendor / Contractor at the time of submission of the drawings for approval from UHBVN/UHBVN is also required to submit a Quality Assurance Procedure (QAP) of the materials to be supplied for review and approval. In this QAP, the vendor / contractor shall clearly indicate the quality measures being taken by the manufacturer to maintain the quality of the finished product. The drawings/QAP once approved shall not be required to be submitted for approval again.</p> <p><b>QAP will indicate the following details:-</b></p> <ol style="list-style-type: none"><li>Tests being performed on the raw material purchased by manufacturer for manufacturing of the finished product.</li><li>Tests being conducted during manufacturing of the product (In process testing).</li><li>Tests which shall be done on the finished product at the time of pre-dispatch inspection.</li><li>Test results assured by the vendor.</li><li>Tests procedure followed for the inspection with full details of test setup etc.</li></ol> <p>The Inspection shall be carried out on the basis of the approved QAP. All the details provided by the vendor / contractor shall be verified by Nigam / Third Party during the inspection and if any deviation is found from the approved documents, it will be noted in the</p>

उत्तर दक्षिण हरियाणा बिजली वितरण निगम

UTTAR DAKSHIN HARYANA BILI VITRAN NIGAM

	inspection report.
35.	The firms will enter into an agreement with the Nigam to ensure that there is no fall in the prices of the item under rate contract and in case of any such price fall, the rates of the material will be revised as per any decrease in price.
36.	The max. Quoted qty. shall be considered as 1.5 times of the min. qty. quoted by the bidder/s against the NIT.
37.	MODVAT benefits, if any, be included in quoted prices and confirmed in bid submission.
38.	All the other terms and conditions will be as per latest guidelines of Govt. of Haryana and schedule D (general and particular terms & conditions of contract) and technical specification of Nigam. However, any statutory variation shall be borne by the Nigam, during contractual delivery schedule only i.e. increase in statutory variation beyond the overall delivery period shall be borne by the firm. Further, in case of award of contract / PO to the firm/s having exemption in statutory levy like E.D., VAT / CST etc. at the time of quoting the bid, the rate of such statutory levies as applicable on the date of tender opening / finalization shall be deemed to be included in the rates finalized.
39.	The post tender offers or communications received from the supplier/contractors etc. which effect the quoted and equivalent rates there by changing the merit position of the tender shall not be entertained
40.	On the day the purchaser conveys acceptance to the supplier's offer either through e-mail/fax or by a letter, the date of e-mail/fax or letter will be the date of agreement and the contractual obligations of the supplier will commence from that very date. The supplier will have no right to revoke his offer after the acceptance of purchaser.
41. ## 2. PARTIES.

The parties to the contract are the supplier and the purchaser, Legal address of the parties to the Contract is under:

Supplier M/s \_\_\_\_\_  
\_\_\_\_\_

Purchaser: Dakshin Haryana Bijli Vitran Nigam (Panchkula)/UTTAR Haryana Bijli Vitran Nigan (Panchkula)

For all purposes of the contract including the arbitration there under, the address of the supplier mentioned above, shall be the address to which all communications addressed to the supplier shall be sent, unless the supplier has notified a change by a separate letter containing no other communication and sent by a Speed Post (Acknowledgement Due) to the purchaser. The supplier shall be solely responsible for the consequences of an omission to notify the change of address in the manner aforesaid.

**3. AUTHORITY OF THE PERSON SIGNING THE CONTRACT ON BEHALF OF THE SUPPLIER.**

The person who has signed these Tender papers (including the terms and conditions) has got authority to sign on behalf of the supplier. It is discovered at any time that the person so signing had no authority to do so, the purchaser without prejudice to any other right or remedy available to him may, cancel the contract and hold such person liable to the purchaser for all costs and damages arising from the cancellation of the contract including any loss which the purchaser may sustain on account of such purchase.

**4. RESPONSIBILITY OF THE SUPPLIER FOR EXECUTING THE CONTRACT.**

**(i) RISK IN MATERIAL**

The supplier shall execute the contract in all respects in accordance with these terms and conditions. The material and every constitute part thereof, whether in possession or control of the supplier, his agents or servants or a Carrier or in the joint possession of the supplier, his agents, servants and the purchaser, shall remain in every respect at the risk of supplier until its actual delivery to the consignee at the stipulated place or destination. The supplier shall be responsible for all loss, destruction, damage or deterioration of or to the material from any cause whatsoever while the material after test and inspection is awaiting dispatch or delivery in course of transit from the supplier to the consignee. The supplier shall alone be entitled and responsible to make claims against the carrier in respect of non delivery, mis-delivery, short delivery, loss, destruction, damage or of the deteriorated material entrusted to such carrier by the supplier for transmission to the consignee.

**(ii) CONSIGNEE'S RIGHT OF REJECTION**

Notwithstanding any approval which the purchaser may have given in respect of the material, it shall be lawful for the consignee to reject the material or any part thereof on behalf of the purchaser within a reasonable time after actual delivery thereof to him at the place or destination specified in Annexure 'B' if the material or any part or portion thereof is not in all respects in conformity with the terms and conditions of the contract whether on account of any loss, deterioration or damage before dispatch or delivery or during transit or otherwise howsoever.

The provision contained in clause 14 (vi) below relating to the removal of material rejected by the purchaser or his authorised agent shall, mutatis mutandis, apply to material rejected by the consignee as herein provided.

**(iii) SUBLETTING AND ASSIGNMENT:**

The supplier shall not save with the previous consent in writing of the purchaser sublet, transfer or assign the contract or any part thereof or interest therein or behalf or advantage thereof in any manner whatsoever.

## 5. ASSISTANCE TO SUPPLIER

The supplier shall be solely responsible to procure any raw material, license or permit required for the fulfillment of the contract. Any assistance for the procurement or attempt to tender assistance in the matter aforesaid, shall not be construed or constitute any promise, undertaking or assurance on the part of the purchaser regarding the procurement of the same to effect any variation in the rights and liabilities of the parties under the contract.

## 6. SECURITY DEPOSIT

- i) The earnest money furnished by the successful tenderers to whom the purchase order/ contract is allotted shall be refunded within 7 days from the verification received from the concerned Bank of performance guarantee as per contract (performa enclosed as **Annexure-VI**) by the accounts wing/DDO. The earnest money of lowest (L-2) shall be released after submission of performance Bank Guarantee by the successful bidder i.e. L-1. For remaining participating firms, EMD shall be refunded after finalization of the procurement case.
- ii) BG shall be retained by the purchaser for the period valid for 90 days after the expiry of warranty period as per clause of 'WARRANTY'.
- iii) No claim of the supplier shall lie against the purchaser either in respect of interest or any depreciation in the value of security deposit.
- iv) If, the supplier fails or neglects to observe or perform any of his obligations under this contract, it shall be lawful for the purchaser to forfeit at his absolute discretion, the Available EMD shall be forfeited and BG shall be encashed besides invoking clauses no. 21 & 28 i.e "Termination of Contract for default" & "Blacklisting of Firm" respectively.

The ibid forfeiture of EMD and encashment of BG shall be without prejudice to the right of the purchaser to recover any further amount of any liquidated and/or other damages, undue payment or overpayment made to the supplier under this contract and / or any other contract.

## 7. MATERIAL, SPECIFICATIONS, PRICES, ETC.

- i- The supplier shall supply the quantities of different items of material within the NIT of the best quality, workmanship and strictly in accordance with the prescribed specifications (**Annexure A**) and rates shown against each, unless any deviation in specification has been expressly pointed out in the purchase order.

The rates offered by the supplier and subsequently finalized shall remain Variable / FIRM as specified in Particular Conditions of Schedule-D (Part-II) of NIT documents.

### ii- **Periodical Assessment of Rate and Undertaking for Price Fall.**

#### a) **Periodical Assessment of Rate:**

Since the Rate Contract is for one year thus the rates as finalized will be assessed/verified by the Nodal Agency periodically. In case a downward trend in their market rates are observed. The Nigam shall have the right to review the rates time to time.

#### b) **Price Fall Clause:**

- i) The prices charged for the material supplied under the rate contract by the firm shall in no way exceed the lowest price at which the firm sales the material to any person/organization Including the purchaser or any other department of the central Govt. or any Deptt. of the State Govt. or any Statutory Undertaking of the Central or State Govt. as the case may be during the delivery period till performance of all supply orders placed during the currency of the rate contracts is completed.

उत्तर हरियाणा हरियाणा बिजली वितरण निगम

UTTAR HARYANA BIJLI VITRAN NIGAM

- ii) If at any time during the said period, the firm reduces the rates of the material as contained/ described in the contract or offer to sell such material to any person / Organization including the purchaser or any Deptt. of Central Govt. or any Deptt. of the State Govt. or any Statutory Undertaking of the Central or State Govt. as the case may be, at price lower than the price chargeable under the rate contract, shall forthwith notify such reduction / sale or offer to sale to the Nigam and the price payable under the rate contract for the material supplied after the date of coming into force of such reduction or sale offer to sale, shall stand correspondingly reduced.
- iii) The firm shall furnish the following certificate to the concerned Consignee's along with each bill against the rate contract:-

"I / we certify that there has been no reduction in sale price of the material of description identical to the material supplied to Nigam under the rate contract herein and such material has not been offered and sold by me / us to any person / organization including the purchase of any Deptts. of the Central Govt., any Deptts. of the State Govt., any statutory undertaking of the Central or State Govt. as the case may be upto the date of bill/ date of completion of supplies against all supply orders placed during the currency of the rate contract at prices lower than the prices charged to Nigam under the rate contract".

8. **SAMPLE** :- This clause shall be applicable as specified in Particular conditions of Schedule-D (Part-II)

9. (i) **DELIVERY**

The supplier shall deliver the material in accordance with the terms and conditions of the contract at the time/times and at the place/places and in the manner specified in the Annexure 'B' attached thereto. In case the due date of delivery in terms of delivery schedule falls on a holiday including Sunday or holiday is subsequently declared on that date, the firm shall be required to complete the supply by the first working day falling next to the due date.

(ii) **TIME FOR AND DATE OF DELIVERY; THE ESSENCE OF THE CONTRACT.**

The time for and the date of delivery of the material stipulated in the Annexure 'B' purchase order shall be the essence of the contract and delivery must be completed not later than the date (s) as specified in Annexure 'B'/purchase order.

(iii) **NOTIFICATION OF DELIVERY:**

Notification of delivery of dispatch in regard to each and every consignment shall be made to the purchaser and respective consignees. The supplier shall supply to consignee a packing account and full details of the contents of the package and quantity of material in order to enable the consignee to check the material on arrival at destination.

- (iv) **Early Supplies:-** This clause shall be applicable as specified in Particular Conditions of Schedule-D (Part-II).

(v) **DAMAGES FOR DELAY IN DELIVERY:**

The delivery of material as per the Annexure "B" attached to the Terms and Conditions of Contract (Schedule 'D') shall be the essence of the contract between the supplier and the Nigam and the delivery of such consignment must accordingly be insisted upon the date it is due in terms thereof.

उत्तर दक्षिण हरियाणा बिजली वितरण निगम

UTTAR DAKSHIN HARYANA BIJU VITRAN NIGAM

No supplies/consignments received after the due date, on which they were actually due according to the terms of the purchase order, shall be accepted by the consignee except, with the approval of the purchasing authority.

In case the purchasing authority decides to accept a delayed supply, the supplier shall be liable to pay penalty @ one half of one percent per week or part thereof of the value of goods so delayed subject to a maximum of 5% of the total value of the delayed supplies. In case the delivery schedule provides lot wise delivery of material, lot wise penalty shall be imposed.

(vi) **PASSING OF A PROPERTY:**

Property in the material shall not pass to the purchaser unless and until the material has been delivered to the consignee, in accordance with the terms and conditions.

(vii) **TAKING OVER CERTIFICATES:**

The consignee (s) shall issue a taking over certificate after the material has been received at site (s), taken into possession, inspected, counted, measured and the supplier has supplied the copies of tests and inspection-certificate, if any, vide clause-14 "Test and Inspection".

**10. FORCE MAJEURE:**

The supplier shall not be liable for any loss or damage due to delay in manufacture or delivery of the material for reason arising out of compliance with regulations, orders or instructions of Central/ State Govt.. Acts of God, acts of Civil and Military authorities, fires, floods, strikes, Lockouts, freight embargoes, war-risk, riots and civil commotion.

Whenever the supplier is not in a position to supply the material within the delivery period and he wants extension in the due date (s) of delivery under this clause, he will request for such extension of the delivery period alongwith all necessary evidence, before the expiry of the scheduled date(s) of delivery. In no case, the delivery period shall be extended under this clause, in case the request is received after the due date of delivery has expired. Extension in the delivery period may be granted only for the period for which the completion of the work is proved by the supplier to have been delayed for circumstances mentioned in this clause.

In all such cases, the Nigam shall have the option to accept any portion of the balance material and cancel the order for the rest, provided, however, if any material had been manufactured exclusively for the purchaser under this contract prior to the commencement of the force majeure circumstances, it shall be accepted by the purchaser and secondly, the cancellation will be without any liability for damages on the part of the supplier.

The decision of the purchaser in all matters under this clause shall be final and binding on the supplier.

Non-availability of raw material or any other similar cause shall not be considered as a force majeure circumstance.

**11. WARRANTY:** - This clause shall be applicable as specified in Particular Conditions of Schedule- D (Part-II).

**12. DRAWINGS :-** This clause shall be applicable as specified in Particular Conditions of Schedule- D (Part-II).

13. **MISTAKES IN DRAWINGS:** This clause shall be applicable as specified in Particular Conditions of Schedule- D (Part-II).

14. **TESTS AND INSPECTION:**

The material shall be inspected and tested by the purchaser or his authorised agent before dispatch unless dispensed with in writing by the purchaser. The Supplier shall give to the purchaser at least 10 days advance notice from the date of readiness of material for such inspection and test.

The Inspection call will be generated in a pre-specified format as per **Annexure – IV**.

The vendor /supplier shall also provide a copy of approved QAP, drawings along with the inspection call. Vendor / supplier should give it in writing that he is ready for the inspection. On receipt of the advance notice from the supplier offering the material for inspection the purchasing authority will get the material inspected and issue the dispatch authorization within 20 days. In case the Inspecting Officer finds on arrival at the supplier's premises that the material was not ready for inspection and that the notice given by the supplier was unfruitful, the firm shall be liable to bear actual expenditure incurred by the Nigam on this account plus a fixed penalty of Rs. 20, 000/- for each such call made by the supplier. In addition to above a fixed amount of Rs. 10,000 per officer per-day would also be payable by the bidder in case inspecting officer deputed by Nigam and in case of 3<sup>rd</sup> party inspector, the amount of bills submitted by them. In case of joint inspection, the bidder shall be liable to pay Rs. 10,000 per man-day for the Nigam's inspector and amount of actual bills submitted by the 3<sup>rd</sup> party agency.

**In case the material offered for inspection fails in 1st inspection, the Nigam will have the right to levy a penalty at 0.25 % of the value of offered material. In case the material offered for inspection fail during the 2<sup>nd</sup> inspection, the Nigam will have the right to increase the penalty to 0.5% of the value of offered material. In case, the material offered fails during the 3<sup>rd</sup> and final inspection also, the firm will be liable for penal action viz. encashment of BG, debarring/ blacklisting in future and no further opportunity for inspection would be provided to the supplier firm.**

i) **FACILITIES FOR TESTS AND INSPECTION:**

The Supplier shall, at his own expense, afford to the Purchaser or his authorised agent, all reasonable facilities and such accommodation as may be necessary for such tests and inspection. The Purchaser or his authorised agent shall have full and free access at any time, during the execution of the contract to the supplier's work for the purpose aforesaid, and he may require the Supplier to make arrangement for inspection of the material or any part thereof at his premises or at any other place specified by the Purchaser or his authorised agent.

- ii) The Supplier shall provide, without any extra charges, all materials, tools labour and assistance of every kind which the Purchaser or his authorised agent may demand of him for any test and inspection. The purchaser or the authorised agent, shall in his sole judgment, be entitled to remove for tests and inspection any of the material to any premises other than his (Supplier's) premises.

iii) **LIABILITY FOR COSTS OF LABORATORY TEST:**

In the event of rejection of material or any part thereof by the purchaser or his authorized agent which

is removed to the Laboratory or other place of test, the Supplier, on demand, shall pay to the Purchaser all costs incurred in such removal.

iv) **METHOD OF TESTING:**

The Purchaser or his authorized agent shall have the right to put all the material or part thereof to such tests as he may think fit and proper. The supplier shall not be entitled to object on any ground whatsoever to the method of testing by the purchaser or his authorized agent.

v) The Supplier shall mark or permit the purchaser or his authorized agent to mark all the approved material with a recognized Purchaser's mark. The material which cannot be so marked, shall, if so, required by the Purchaser or his authorized agent, be packed in suitable packages or cases which shall be sealed and marked with such mark.

vi) **REMOVAL OF REJECTED MATERIAL:**

If any material is rejected by the Purchaser or his authorized agent after tests and inspection or by the consignee, the material so rejected shall be removed from the premises of rejection by the supplier at his own cost. Such rejected material shall under all circumstances lie at the risk of the Supplier from the moment of such rejection; and if such material is not removed by the Supplier within a period of 45 days, from the date of notice given by the consignee/Purchasing Department for lifting of such material, Purchaser or his authorized Agent or consignee may dispose of such material in any way at the Supplier's risk and cost and retain such portion of the proceeds as may be necessary to cover any expense incurred in connection with such disposal and shall also be entitled to recover handling and storage charges for the period during which the rejected material is not removed.

vii) **CERTIFICATE OF TEST & INSPECTION**

When the test and inspection have been satisfactory carried out by the purchaser or his representative, the purchaser or his authorized representative shall issue a communication to that effect, the material will then be dispatched by the Supplier according to dispatch instructions of the Purchaser or his authorized representative vide Clause-19 Dispatch Instructions.

viii) **POST RECEIPT INSPECTION:**

The material after receipt in the stores of the Nigam shall be subjected to inspection for its conformity to the specification by a representative of the Nigam in the presence of representative of the contractor/supplier after issuance of e-mail notice/telephonic communication to the supplier/contractor. In case the firm fails to depute a representative on the specified date, the Nigam would be free to get the material checked in the absence of firms representative for which the firm would have no reason to protest at any stage and would be fully responsible of the outcome.

ix) **TYPE TEST CONDITIONS:** This clause shall be applicable as specified in Particular Conditions of schedule-D (Part-II)

x) **Non – conformance of material with provisions of technical specification:** - The material offered/received after the inspection by the authorized inspecting officer may again be subjected to the test for losses or any other parameter from any Testing House/in-house technique of the Nigam & the results if found deviating, un-acceptable or not complying to approved GTP, the lot shall be rejected and bidder shall arrange to supply the replacement within forty-five (45) days of such detection at his cost including to and fro transportation. In addition to this, a penalty @ 5% of cost of the rejected lot of material shall be imposed. The rejected material shall be lifted

back by firm only after replacement with fresh material or by submission of additional BG of equivalent to the cost of material. This BG shall be released when the replacement of material with fresh material received in the Nigam Stores and material is accepted by the Nigam.

**15. VAT/ CENTRAL SALE TAX**

The Purchaser shall pay Central Sale Tax /Value Added Tax at the prescribed rates (if applicable) on the production of the following Certificates by the supplier in triplicate:

- i) Certified that the transaction in which the sales tax /Value Added Tax has been claimed has been/will be included in the return submitted/to be submitted to the Taxation authorities for the assessment of Central Sales Tax and amount claimed from the Haryana DISCOMs has been/shall be paid to the Sales Tax authorities.
- ii) Certified that the goods on which the Sales Tax /Value Added Tax has been charged in Bill No. \_\_\_\_\_ dt. \_\_\_\_\_ for Rs. \_\_\_\_\_ have not been exempted under the Central Sales Tax Act 1956/ Haryana VAT Act 2003 or the rules made thereunder and the charges on account of Sales Tax on these goods are correct under the provision of the relevant Act or the Rules made thereunder.
- iii) Certified that we shall always indemnify the Haryana DISCOMs in case it is found at a later stage, that wrong or incorrect payment had been recovered on account of Sales Tax paid/to be paid by us.
- iv) Certified that we are registered as a dealer under the Central / State Sales Tax/ VAT and our registration No. is \_\_\_\_\_.

Provided that in respect of the item at Sr. \_\_\_\_\_ and of clause – 7 which are required by the Nigam for use on the generation and distribution of electrical energy to the Public, no Haryana Sales Tax/VAT shall be payable as they are exempted under Section-27, Sub-section (I)(a)(III) of Haryana General Sales Tax Act 1973.

**16. DOCUMENTATION :**

- i) All bills and/or invoices whether in respect of an advance payment or full payment, shall contain complete details of Code No., name of the item, description of material supplied, quantity supplied, rates, details of extra claims, etc. as well as the name of the consignee who received the material, shall be submitted in triplicate, duly accompanied by the receipted good challan, inspection note/test certificate in original, prescribed sales tax/ excise duty certificates, documentary evidence regarding transportation of the material from the place of manufacturing to the contractor and then from contractor to the Nigam and excise duty gate pass, where required.
- ii) All freight charges whether paid or to pay, and whether chargeable to the Nigam or included in the quoted price, shall be shown in the invoice separately.
- iii) All bills and/ or invoices shall be sent by the supplier to:

**17. TERMS OF PAYMENT :** This clause shall be applicable as specified in Particular Conditions of Schedule-D (Part-II)

**18. NEGLIGENCE:**

If the supplier shall neglect to execute the supply contract with due diligence and expedition or shall refuse or neglect to comply with any reasonable orders given in writing by the purchaser or his authorized agent in connection with this contract or shall contravene this provision of the contract, the purchaser may give 15 days notice in writing to the supplier to make good the failure, neglect or contravention complained of and should the Supplier fail to comply with the notice within the above said time from the date of service thereof (in case of failure, neglect or contravention capable of being made good, within that time or otherwise within such time as may be reasonably necessary for making it good), then in such case, the purchaser shall be at liberty to take the work wholly or in part out of Supplier's hand and re-contract at a reasonable price with any other person (s). in such event, it shall be lawful for the purchaser to retain any balance which may otherwise be due by him to the Supplier on any account, and apply the same towards the execution of the whole of balance of the supply contract so re-contracted, as aforesaid, if no such balance is due by him to the supplier or if due, is not sufficient to cover the amount thus recoverable from the supplier, it shall be lawful for the purchase to recover the whole or the balance of the amount from the supplier by action at law or otherwise. The remedy under this clause will be in addition to and without prejudice to right available to the purchaser under other clause of these terms and conditions.

**19. DESPATCH OF MATERIAL AND DESPATCH INSTRUCTIONS:**

The supplier shall be responsible to obtain complete Dispatch instructions from the purchaser before the dispatch of each consignment.

The supplier shall sufficiently pack at his own cost the material for transit so as to ensure this being free from loss or damage on arrival without opening the packages while in transit at their destination. All containers in which the material is supplied shall be non returnable.

**20. REPLACEMENT AND REJECTION:**

Material found sub-standard or defective or not conforming to the prescribed specification in any manner, at consignee's end shall not be accepted and intimation to this effect shall be given to the supplier, the purchasing authority and the Controller of Stores by the consignee. The purchasing authority shall promptly take up the matter with the supplier and ask him to rectify or replace the defective/sub-standard material forthwith and in any case within a period of 45 days from the date of intimation about such defective material by the stores wing, failing which, the Nigam shall reserve the right to get the defect rectified at the supplier's cost or to withhold the amount equal to cost of defective material. The supplier shall also be intimated that all expenses involved in the replacement by way of handling, transportation, storage, etc. shall be to their account. The payments so withheld shall be released after the receipt of repaired/replacement material. In case, the supplier still does not respond for lifting the defective material, despite continuous follow-up, the procedure as prescribed in as per clause no. 21 read with sub-clause 28.1 (a & b) shall be invoked for termination of contract, encashment of BG, imposing LD charges @ 5% of the value of defective/rejected/ undelivered material and initiation of action for blacklisting etc. Even after expiry of 90 days, if there is no response from the firm, Nigam can deduct the cost of the defective equipments/material from the pending liabilities of the firm, including encashment of the BG of the firm, available with Nigam against the same P.O. or in other cases.

If there is sufficient financial cover against the same or other P.O.s available then the principal supplier can lift the material against the financial cover of same P.O.s. If the financial

cover falls short of cost of material to be lifted for repair/replacement than either he would have to deposit the BG of the balance cost of the equipments through DD or cost thereof in cash.

In respect of the defective/sub-standard supplies, the date on which such a supply is replaced shall be reckoned as the effective date of delivery there against and the delay shall be worked out accordingly with reference to the date on which the supply was due as per the terms of contract, for the purpose of determining penalties/liquidated damages recoverable under Clause 9 (v).

## 21. TERMINATION OF CONTRACT FOR DEFAULT

21.1 The purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, terminate the contract in whole or in part:

- a) If the supplier fails to deliver any or all of the stores within the time period(s) specified in the contract, or any extension thereof granted by the Purchaser; or
- b) If the supplier fails to perform any other obligation under the contract within the period specified in the contract or any extension thereof granted by the purchaser.
- c) If the supplier, in the judgment of the purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the contract (The definition of corrupt or fraudulent practices defined under clause-25).

21.2 In the event the purchaser terminate the contract in whole or in part. Available EMD submitted by the firm/supplier shall be forfeited and available BG shall be got encashed towards recovery of LD Charges and any other dues from the firm.

## 22. SET-OFF:

Any sum of money due and payable to the supplier under the contract (including Security deposit returnable to the supplier) may be appropriated by the purchaser and set-off against any claim of the purchaser for the payment of a sum of money arising out of or under this contract or any other contract entered into by the supplier with the purchaser.

## 23. SUPPLIER'S DEFAULT LIABILITY :

In the event of breach of any these terms and conditions by the supplier, the purchaser can terminate the contract without Notice to the supplier at any stage and the supplier shall have no claim whatsoever on the purchaser on this account. But the supplier shall be liable to pay to the purchaser a sum equivalent to 5% of the value of the undelivered material as liquidated damages and not as a penalty.

## 24. LAWS GOVERNING THE CONTRACT

- (i) This contract shall be governed by the Laws of India for the time being in force.
- (ii) Irrespective of the place of delivery place of performance or place of payment under the contract, the contract shall be deemed to have been made at the place from which the acceptance of tender has been issued.
- (iii) Jurisdiction of courts: The courts of the place from where the acceptance of tender has been issued shall alone have exclusive jurisdiction to decide any dispute arising out of or in respect of the contract.

**25. Corrupt or Fraudulent Practices**

The Nigam requires that Tenderers/ Suppliers/ Contractors observe the highest standard of ethics during the procurement and execution of Nigam contracts. In pursuance of this policy, the Nigam:-

- (a) Defines, for the purposes of this provision, the terms set forth as follows:
  - (i) “corrupt practice” means the offering, giving, receiving or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution: and
  - (ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Nigam, and includes collusive practice among Tenderers (prior to or after tender submission) designed to establish tender prices at artificial, non-competitive levels and to deprive the Nigam of the benefits of free and open competition;
- (b) will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;
- (c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a Nigam contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a Nigam contract.

**26. PATENT RIGHTS**

The supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark or industrial design rights arising from use of the Goods or any part thereof in India.

In the event of any claim asserted by a third party of infringement of copyright, patent, trademark or industrial design rights arising from the use of the Goods or any part thereof in the Purchaser's country, the supplier shall act expeditiously to extinguish such claim. If the supplier fails to comply and the Purchaser is required to pay compensation to a third party resulting from such infringement, the supplier shall be responsible for the compensation including all expenses, court costs and lawyer fees. The Purchaser will give notice to the supplier of such claim, if it is made, without delay.

**27. SETTLEMENT OF DISPUTES**

If any dispute or difference of any kind whatsoever arises between the Purchaser and the Supplier in connection with or arising out of the Contract, the parties will make every effort to resolve amicably such dispute or difference by mutual consultation.

If, after thirty (30) days the parties failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of the matter may be commenced unless such notice is given.

**28. Blacklisting of the Firms:**

As the purchase order becomes a valid contract between the purchaser and supplier on the date of its issue, no further changes in the terms and conditions thereof are permissible and

any request received in this regard from the supplier should be summarily rejected, making it clear to supply the goods strictly in accordance with the terms and conditions of the contract. It should be noted that such a liability can be enforced on the supplier only if the purchase order does not contain any term or condition contrary to what had been quoted in the supplier's tender. Once this is ensured, any attempt by the supplier to back out of his commitment should be taken seriously and his earnest money deposited be forfeited forthwith, without prejudice to any further legal remedies open to the Nigam under the relevant laws. Where necessary, the case of supplier illegally backing out of the commitment, should also be put up to the Board of Directors for consideration and to decide for black-listing of the firm and damages, if any, to be recovered

### **28.1. Procedure for Blacklisting of firm**

*In case the supplier intends to illegally back out of the commitment, the steps for blacklisting of the firm, besides enforcement of damages recoverable under the law will be taken as per procedure given below:-*

- a) *A notice shall be served by the purchasing department on the supplier by registered post/speed post bringing his defaults to his notice and asking him to complete all pending supplies / or to settle dispute within a period of 15 days from the date of issue of Notice.*
- b) *In case the firm fails to comply with the notice(s), a show Cause notice of 21 days shall be issued why the firm/supplier/contractor should not be blacklisted. In the Show Cause Notice complete details of the case, default committed by the firm/supplier/contractor and details of notices issued by the Nigam shall be incorporated.*
- c) *In case the supplier/firm/contractor fails to comply with the notice issued for blacklisting or does not respond to show cause notice or the reply as submitted is not found justified/convincing. The contract with the firm/supplier shall be terminated inter-alia taking other action as per regulation no. 20 & further the firm may be blacklisted with the approval of BODs.*
- d) *The period of blacklisting of the defaulting firm/ supplier/contractor will be approved upto 3 years by BOD's and shall be notified to all Power Utilities in the country and the names of such blacklisted supplier/contractor would also be put on the website of the Nigam*

### **29. ARBITRATION**

All the matters, questions, disputes, differences and / or claims arising out of and /or concerning and /or in connection and /or relating to this contract whether or not obligations of either or both parties under this contract be subsisting at the time of such dispute and whether or not this contract has been terminated or purported to be terminated or completed, shall be referred to the Sole Arbitrator to be nominated by Managing Director/UHBVNL or UHBVNL (as the case may be). The Award of the Arbitrator shall be final and binding on the Parties to this contract. Provisions of the Arbitration & conciliation Act, 1996 and the Rules made there under, the statutory modifications thereof for the time being in force, shall be deemed to apply to the Arbitration proceedings under this clause.

**SCHEDULE 'D'**

**(Part-II. Particular Conditions of Contract)**

**UTTAR/ DAKSHIN HARYANA BIJLI VITRAN NIGAM LIMITED**

**PARTICULAR TERMS AND CONDITIONS FOR PROCUREMENT OF EQUIPMENT STORES AND OTHER MATERIAL UNDER THE RATE CONTRACT**

The below mentioned terms & conditions shall be applicable in addition to the terms & conditions mentioned in Part-I of Schedule D

**1) PRICE :-**

The prices quoted shall be 'Variable' as per CACMAI formula and 'FOR' destination basis anywhere in Haryana. The breakup of prices quoted viz. Ex-works prices, excise duty, cess, sales tax, freight and insurance etc. should be clearly given in schedule of prices as per details in the enclosed Performa, which is a must. The base date for updating the price will be first working day of the month, one month prior to the date of tender opening without any ceiling.

**Price Variation:** Price variation is governed by standardized formula given below with base date as of Aluminium rod supplied by CACMAI circular.

The rate of Aluminium wire rod of three agencies namely M/s NALCO, M/s BALCO & M/s HINDALCO as circulated in the CACMAI, whichever is lowest shall form the basis for calculating price variation. This would be regulated as per following formula & shall applicable both on negative & positive side.

$$P = P.O/100 (27+ 73 \times PE/PEO)$$

PO = Base price of DPC Aluminium Wire provided in the contract.

PE = Prices of E.C. Grade Aluminium Rod as per circular of M/s Cable & Conductor Manufacturers Association of India (CACMAI) one month prior to the date of inspection of material.

PEO = Prices of EC grade Aluminium Rod as circulated by CACMAI with base date as on 01.06.15.

The documentary evidence in respect of price variation for which the same is being claimed should also be supplied.

"With the exception of IEEMA Price variation clause, and where the "contract value would mean FOR destination prices, given in the PO inclusive or exclusive of ED, CST etc., as the case may be, no variation shall be permitted. Where the Contract value would mean the bare value of the goods 'ex-works price' without taking into accounts taxes, duties or any other incidentals, variations arising out of any law

statute and mandatory order of Govt. of India/State Govt. shall be admissible. The variation shall be admissible in respect of ED, CST, ST (VAT), Service Tax, Octroi, Custom Duty or any other levies or taxes as may be imposed by the Govt. from time to time with in contractual delivery schedule.

In case of extension in delivery schedule is granted by the purchasing authority , the Nigam shall not be liable to pay a higher price in terms of price variation clause beyond what should have been payable had the supplies been effected according to the original schedule of deliveries.

- 2) **SAMPLE - Deleted**  
3) **Delivery:**

**i) Acceptance Early Supplies**

- a) **(For Variable price)** In case the material is required early by the Nigam and the purchasing authority requests for the same, then the payment and CACMAI would be regulated as per PO provisions i.e. actual delivery (physical) date shall be considered as due date of delivery..
- b) **(For Variable price)** In case any firm supplied the material earlier than the actual due date of supply, then the payment procedure/terms shall remain the same as per terms and conditions and lots due date mentioned in the relevant PO/work order. Moreover, in case of price variation, the lowest CACMAI between the actual (physical) date of delivery and scheduled date of delivery would be made applicable.

**ii) Acceptance of delay supply :-**

**iii)**

**In case of variable price:-**

In case of delayed supply (beyond overall delivery schedule), the same may be considered and accepted by the purchaser with levy of penalty as per provision of PO and for computing the price variation, the lowest CACMAI indices announced by CACMAI during the intervening period from the due date of supply and the date of actual (physical) delivery, would be made applicable.

In case of delayed lots, for computing the price variation the lowest CACMAI indices announced by CACMAI, during the intervening period from the schedule date of delivery to actual (physical) date of delivery, would be applicable.

**4) Warranty:-**

The supplier shall be made responsible to replace free of cost, with no transportation or insurance-cost to the Nigam, up to the destination, the whole or any part of the material which in normal and proper use proves defective in quality or workmanship, subject to the condition that the defect is noticed within 18 months from the date the material is received by the consignee or 12 months from the date of installation of the goods which ever period may expire earlier. The consignee or any other officer of the Nigam actually using the material will give prompt notice of each such defect to the supplier as well as the Purchasing authority and the Controller of Stores. The replacement shall be effected by the supplier within a reasonable time, but not, in any case, exceeding 45 days. The supplier shall also arrange to remove the defective supply within a reasonable period but not

exceeding 45 days from the date of issue of the notice in respect thereof, but only after replacement of defective material. Upon the firm failing to do so, the damages/defects may be got rectified by the Nigam and the cost adjusted from the firm's pending dues and/or security deposit against this or any other contract in force and the balance left be got deposited by the supplier. The Nigam may also withhold the amount equal to cost of defective material.

The warranty for 18/12 months shall be one time.

In addition to above, warranty should be extended by the supplier for the period for which the service was not rendered by the material/equipment supplied by the supplier which would be allowable for one occasion only. In case of recurrence, the material/ equipment shall have to be replaced afresh or cost of the material shall be recoverable from the pending liabilities of the supplier/contractor towards Nigam.

After completion of overall warranty period, if it is found that any material defective/ damaged within warranty period is still lying in the store/field/with the firm then equivalent amount of cost of material as BG shall be accepted. After receipt of fresh BG, the old BG should be released.

In case of breach of contractual obligations with reference to non responding for repairing /replacement of defective material, notices of 15 days & 21 days shall be issued to the firm and in case of still persistence of default, the Nigam shall reserve the right to terminate the contract, encashment of BG towards recovery of damages and further initiation of action for blacklisting.

**5) DRAWINGS/GTPs:-**

- a) **Where drawing/GTPs is attached with specification no need to submit the drawing/GTPs by bidder and no need for approval of drawing/GTPs by Nigam.**
- b) **Procedure to be followed where specification/design of the product is not standardized but prepared for specific use of Nigam:**
  - i- The successful bidder shall submit the drawing/GTPs as per Nigam's specification/design within 30 days from the date of issue of LOI/ Rate Contract.
  - ii- The required type test certificates shall be submitted by the successful bidder within 45 days (90 days in case of Power T/F) from the date of issue of LOI/ Rate Contract.
  - iii- The purchase Department shall approve the drawings/GTPs within 10 days from the date of receipt of type test certificate except in case of observance of deviations there against.
  - iv- Any Delay in the submission of the type test certificates beyond 45 days (90 days in case of Power T/F) from the date of issue of LOI/Rate Contract will be to the supplier account.
  - v- Time taken in any clarification of the Type Tests Certificates and drawings/GTPs will be attributable to the supplier.

**6) MISTAKES IN DRAWINGS:**

The supplier will be responsible for and shall pay for alterations of the material due to any discrepancies, errors or omissions in the drawings or other particulars supplied by him whether such drawings or particulars have been approved by the purchaser or not. Mistakes in drawing will be set right by the Supplier after obtaining approval of the purchaser

**7) POST RECEIPT INSPECTION AND SAMPLE TESTING AFTER RECEIPT OF MATERIAL IN NIGAM STORES:-**

Nigam intends to purchase only High Quality material. For this purpose stringent testing of the material shall be done as per Nigam's Quality Assurance Plan (QAP) .

उत्तर दक्षिण हरियाणा बिजली वितरण निगम

UTTAR DAKSHIN HARYANA BIJU VITRAN NIGAM

- a) A team of 2 XENs to be nominated by Chief Engineer/MM will carry out random checking to ensure quality and quantity of material received in Nigam's stores.
- b) The team will draw sample from each lot received in anyone of the stores to carry out checking as under:-
  - Genuineness of seals provided during inspection
  - Workmanship of material received in store
  - Quantity of material inspected viz-a-viz received quantity.
  - Quality of material received in the store.
- c) The above said inspection / checking would be carried out to check all physical parameters as per approved technical specifications of the Nigam / Engineering Design / Drawings.

The above said team may draw samples randomly for any material for its testing from any NABL accredited testing lab as approved by the Nigam. **Normally, one sample from any of the lots, (to be decided by purchasing authority) shall be sent to NABL accredited lab (Govt. /Semi Govt. / Private Lab) to carry out the acceptance tests, at Nigam's cost.** If sample fails the entire lot shall be rejected and cost of testing shall be charged from the firm. However, testing of 2nd sample of the same lot may be considered on justified request of the firm & with the approval of Director/Projects **to be decided on merits of each case. In case, 2nd sample is rejected, the entire lot shall be rejected.**

In case of failure of sample from the lot then:-

- Supplier shall have to replace the full quantity of the respective inspected lot supplied to various stores and lying unused at stores as per provision contained under clause no.14(x) of Schedule-D (Part-I).
- For the quantity already utilized against the aforementioned lot in field then a deduction @ 15% (Fifteen Percent) of FOR destination prices of the material utilized shall be made.

#### 8) TYPE TEST CONDITIONS:

- i. In case of the firms, whose past supplies made to Haryana DISCOMs (UHBVN/DHBVN), testify the satisfactory performance of the equipment already supplied and type test certificates accepted there against are not more than five year old on the date of opening of tender, fresh type tests may not be required/asked for in case there is no change in the design. However, in such cases the firm shall supply the approved copy of drawings/GTPs and requisite type test certificates along with bid documents. In such cases, the commencement of delivery period shall be date of receipt of purchase orders meaning thereby no additional time shall be given to the firm for approval of drawings. (This clause is applicable only for Power /Distribution Transformer in addition to below mentioned clause).
- ii. In all other cases, the firm/s shall be required to submit the type test certificates as per Nigam's Technical Specifications and relevant ISS along with the tender documents, which should not be more than five years old on the date of opening of tender. Alternatively, the firm/s shall submit an undertaking that the requisite type test certificates shall be submitted within 45 days (90 days in case of Power Transformers) from the date of issuance of LOI/RC. The purchaser departments shall approve the drawing and type tests within 10 days from the date of receipt all the requisite type test certificates.

In case any difference between ISS & Nigam technical specifications, the type test certificates (incorporating the remaining tests, if applicable) issued by NABL accredited testing houses/Govt. approved lab besides international testing house/labs like KEMA, KERI etc. will be supplied by the bidder within 45 days (90 days in case of Power Transformers) from the date of issue of LOI/Rate Contract.

The type test certificates should be as per IS with latest amendment which will be supplied by the firm for approval of drawing and GTPs, unless stated otherwise specifically.

**In case of delay in submission of detailed type test certificates beyond 45 days**

उत्तर दक्षिण हरियाणा बिजली वितरण निगम

UTTAR DAKSHIN HARYANA BILI VITRAN NIGAM

from the date of issue of LOI/RC, penalty @ 0.05% per day subject to maximum 2% of the contract value shall be imposed.

**Note:** Delay in submission of type test by firm shall not form the basis for relaxation/extension in delivery schedule in any case.

**9) TERMS OF PAYMENT:-**

Subject to any deductions which the purchaser may be authorized to make under this contract, the payment for the material shall be made as under:-

(a) One hundred percent payment shall be made on 30th day from the date of receipt of material by the consignee or date of submission of documents i.e. bills/invoices in triplicate, receipted challans inspection report, prescribed sale tax/excise duty certificates and excise duty gate pass, wherever required etc., whichever is later.

(b) The Bank Guarantee of the value of 10% [ 5% in case of Haryana based micro and small enterprises (including khadi and village industries units)] of the contract price of PO for complete requisite period shall be furnished within 15 days from the date of issue of PO which should remain valid for 90 days after the expiry of warranty period (the BG shall be issued by any Nationalized /Private Bank in India, failing which:

- i) Penalty @ 0.05% per day of the value of BG with a ceiling of 2% of value of BG would be charged from due date of submission, till the BG or DD in lieu of BG is submitted by the firm.
- ii) In case the performance bank guarantee or DD in lieu of performance security is not submitted within 45 days from the date of issue of PO or the date if any stipulated by the purchasing authority, the Nigam reserve the right to cancel the PO/RC and initiate the action for allotment to L-2 firm.
- iii) In the event of receipt of material without the receipt of BG, amount equivalent to BG alongwith penalty shall be deducted from the payments due to the supplier. However, on receipt of requisite BG from the firm, the amount deducted in lieu of the BG only, shall be refunded without accrual of any interest thereon and amount of penalty so deducted shall not be refunded.

Further a rebate of 0.05 percent per day shall be availed of by the Nigam if payment is made earlier than the period specified. The rebate will be calculated on the payable amount.

The delay in payment to the suppliers beyond the stipulated credit period indicated in the supply order, unless supported by cogent reasons and approved by a higher authority, would attract penal interest on the defaulting amount @ Rs. 25/- per one lac per day of delay beyond the credit stipulated period. Payment of such interests would be brought to the notice of Administrative Secretary of the department and call for fixation of responsibility. In case of delayed supply duly accepted by the purchasing authority, no penal interest on the same shall be applicable.

In case the due date of payment in terms of payment schedule falls on a holiday including Sunday or holiday is subsequently declared on that date, the payment shall be released on the first working day falling next to the due date.

ANNEXURE 'A' TO SCHEDULE 'D' (Part-I)

**SPECIFICATIONS**

**Specification No. CSC- 50/R-I /DH/UH/P&D/2009-2010**

**TECHNICAL SPECIFICATION**

**FOR**

***SUPER ENAMELLED ALUMINIUM WINDING WIRE /***

***DOUBLE PAPER COVERED ALUMINIUM WINDING /***

***DOUBLE PAPER ALUMINIUM STRIP***

Issue of the Month:

Common Specifications Committee

(CSC approval date 22.03.2016)

UHBVN & DHBVN

**TECHNICAL SPECIFICATION FOR SUPER ENAMELLED ALUMINIUM WINDING WIRE / DOUBLE PAPER COVERED ALUMINIUM WINDING WIRE / DOUBLE PAPER COVERED ALUMINIUM STRIP (Rectangular)**

**1. SCOPE:**

This specification covers the manufacture, testing, supply and delivery of the following material: -

- i) Super Enameled Aluminium winding wire with medium covering type-1
- ii) Double paper covered annealed Aluminium winding wire with ordinary paper covering.
- iii) Double paper covered Aluminium strip (rectangular) with ordinary Grade Covering.

The material is required for use in repair of Distribution Transformers.

**2. STANDARD:**

As regards material design, manufacture and testing etc. they will strictly comply with requirements of the IS standards as mentioned hereunder:-

	Material	(IS No. with latest edition/amendments, if any)
I.	Super Enameled Aluminium Winding Wire.	IS:13778 – 1993
II.	D.P.C. Aluminium Winding Wire.	6162 (Part-I) – 1980 & 4026-1968
III.	D.P.C. Aluminium Strip	6162 (Part-II)-1980 & 6160-1971

The various applicable ISS referred in the specification shall be of the latest editions and amendments, if any.

The material bearing ISI certification mark may, however, be preferred.

### 3. CLIMATE CONDITIONS

The material to be supplied against this specification shall be suitable for satisfactory operation under the following climatic Conditions

i)	Location	At various locations in the state of Haryana
ii)	Maximum ambient temperature (°C)	60
iii)	Minimum ambient air temperature (°C)	-5
iv)	Maximum average daily ambient temperature (°C)	40
v)	Maximum yearly weighed average ambient temperature (°C)	32
vi)	Maximum altitude above mean sea level (m)	1000
vii)	Minimum Relative Humidity (%)	26
viii)	Maximum Relative Humidity (%)	95
ix)	Average no of Rainy days/ year	120
x)	Average annual rainfall	900 mm
xi)	Maximum wind pressure	195 kg/m sq.

The material shall be for use in moderately hot and humid tropical climate, conducive to rust and fungus growth

4. TECHNICAL PARTICULARS:

The technical particulars of the material will be as below:

4.1 SUPER ENAMELED ALUMINIUM WINDING WIRE:

4.1.1 CONDUCTORS:

The conductor shall be electrolytic high conductivity annealed Aluminium, strictly conforming to IS:13778 and shall have the physical constants as given hereunder:-

4.1.1.1 RESISTANCE:

The resistance at 20°C of annealed conductor of one meter in length and of uniform cross sectional area of one square millimeter shall be taken as 0.0280 ohm.

4.1.1.2 DENSITY:

The density of annealed Aluminium at a temperature of 20°C shall be taken as 2.703 g/cm<sup>3</sup>.

4.1.1.3 COEFFICIENT OF LINEAR EXPANSION:

The coefficient of linear expansion of annealed Aluminium at a temperature of 20°C shall be taken as 23x10<sup>-6</sup> per degree Celsius.

4.1.1.4 CONSTANT MASS TEMPERATURE COEFFICIENT OF RESISTANCE:

At a temperature of 20°C the constant mass temperature coefficient of resistance of annealed Aluminium measured between two potential points rigidly fixed to the conductor, the metal being allowed to expand freely, be taken as 0.04 per degree Celsius.

Note:

For any temperature 'to' above 0°C, the temperature, coefficient of resistance is:-

$$\frac{1}{230+to}$$

#### 4.1.2 ENAMEL:

The conductor shall be completely and uniformly covered with durable flexible and synthetic enamel. The enamel should have a smooth surface free from embedded particles of dust and other deleterious materials.

The modified polyester type insulating varnish used for enamelling of wire shall be enamel. Terbec 101.36 manufactured by Dr. Beck & Co. Mumbai, or M/s Micro Links Ltd, Daman or M/s Herman Bawa (P) Ltd Delhi.

#### 4.1.3 DIAMETERS:

##### 4.1.3.1 MAXIMUM OVERALL DIAMETER:

The maximum overall diameter shall not exceed the value given in table-1 of IS:13778. For intermediate nominal conductor diameter, the minimum increase in diameter for the next higher standard size shall be applicable.

##### 4.1.3.2 TOLERANCE OF CONDUCTOR DIAMETER:

(For all nominal diameters of conductor).

The conductor diameter shall not differ from nominal diameter by more than the limits given in Table-I of IS:13778.

##### 4.1.3.3 OUT OF ROUNDNESS OF CONDUCTOR:

(For all nominal diameters of conductor).

The out of roundness shall not be more than 50 percent of the total value for tolerance given in Table-I of IS:13778 (Para-I).

#### 4.1.4 RESISTANCE (ALL NOMINAL DIAMETERS OF CONDUCTOR):

The resistance at 20°C shall be within the limits given in Table-I of IS:13778 (Part-I). For sizes higher than 1.00 mm, the limits shall be calculated from nominal values. Similarly for intermediate sizes, the corresponding value shall be calculated from next higher standard size.

#### 4.1.5 ELONGATION:

The elongation at fracture shall be not less than the value in Table-I of IS:13778 (Part-II). For intermediate sizes, the value for the next higher standard size shall be applicable.

#### 4.1.6 FREEDOM FROM DEFECTS:

The conductor shall be finished clean and smooth and shall substantially free from silvers, spills, cracks & other defects.

#### 4.1.7 TESTING:

Material will be tested in accordance with provision of IS:

- i) Maximum overall diameter of conductor & Out of roundness
- ii) Resistance at 20° C
- iii) Measurement of overall diameter.
- iv) Measurement of elongation at break.
- v) Flexibility and adherence.
- vi) Resistance to Abrasion (Unidirectional Scrap Test)
- vii) Heat shock test.
- viii) Cut through test
- ix) Solvent test in transformer oil as per IS:335-1983 with latest edition/amendment.
- x) Wrapping test as per IS:6162 Part-I after removing enamel by suitable method.
- xi) Breakdown voltage test.

The test results will indicate the actual values obtained during testing. The tender should, therefore, specifically indicate availability of testing facility/equipment at their work.

#### 4.1.8 PACKING AND MARKING:

4.1.8.1 The reels used for packing shall conform to IS: 482-1981. The wire shall be wound compactly and evenly on reel.

4.1.8.2 The wires wound on each reel should be of continuous length and free from joints.

4.1.8.3 The label, which is to be securely attached to the reel, shall have the following information:-

- i) A reference to the Indian Standard
- ii) Manufacturer's name or trade mark if any.
- iii) Type of enamel covering
- iv) Type of covering
- v) Diameter of wire
- vi) Gross weight of reel.
- vii) Weight of wire
- viii) Identification/Serial Number of reel, if any.
- ix) Number of lengths..... Single length

The label, may also be marked with ISI certification mark of the product, where applicable.

#### 4.2 DOUBLE PAPER COVERED ANNEALED ALUMINIUM WINDING WIRES:

##### 4.2.1 CONDUCTOR:

The conductor shall be manufactured from EC Grade Aluminium In-gots conforming to IS: 4026 and shall be of 'O' conditions and shall have physical constants as given here under:-

##### 4.2.2.1 RESISTANCE:

The resistance at 20°C of an Aluminum conductor 1m in length and of uniform cross-section area of 1mm<sup>2</sup> shall be 0.0280 ohm.

##### 4.2.2.2 DENSITY:

The density at 20°C shall be taken as 2.703 g/cm<sup>3</sup>.

#### 4.2.2.3 COEFFICIENT OF LINEAR EXPANSION:

The constant mass temperature coefficient of resistance at 20°C measured between two potential points rigidly fixed to the conductor, shall be taken as 0.004 per degree Celsius.

Note: For any temperature  $t_0$  above 0°C, temperature coefficient of resistance is,

$$\frac{1}{230+t_0}$$

#### 4.2.3 PAPER

##### 4.2.3.1 GRADE OF PAPER:

The paper, before application, shall be free from metallic and other injurious inclusions, shall have no deleterious effects on insulating oil and shall be of such quality that it will satisfy all the requirements of paper specified in IS:6162 (Part-I). It will be of Ballarpur make or any other make as per Annexure-‘I’.

##### 4.2.3.2 APPLICATION OF PAPER:

- i. To prevent the inclusion of Aluminium dust or other extraneous matter under the paper covering, the conductor shall be fully cleaned by felt pads or other suitable means immediately before entering the paper covering machine. Each layer of paper shall be continuous, firmly applied and substantially free from creases. No bonding or adhesive material shall be used except to anchor the ends of paper. Any such bonding or adhesive material shall have no deleterious effects on transformer oil, insulating paper the electric strength of the covering.
- ii. **WIDTH OF PAPER**  
The width of paper for lapping shall not exceed three times the diameter of the conductor with a maximum of 12mm and a minimum of 3 mm.
- iii. **THICKNESS OF PAPER**  
The thickness of the paper used shall be between the limits of 0.025 and 0.075mm both inclusive.

iv. ARRANGEMENT OF LAYERS

Both the layers shall be overlap wound in the opposite directions. Further, each paper tape shall be wound with each turn over-lapping the proceedings turn by not less than 25% of paper width.

4.2.4 DIAMETER

The overall dia of wire, the increase in dia and tolerance on dia of conductor shall be as specified in table of IS:6162 (Part-I) for ordinary covering. The corresponding values for intermediate size shall be those applicable for immediately next higher standard size.

4.2.5 RESISTANCE:

The resistance of the conductor shall be expressed as the do resistance at 20°C. The method used shall provide an accuracy of 0.5 percent.

One measurement shall be made.

If the resistance  $R_t$  is measured at a temperature  $t$  other than 20°C, the resistance  $R_{20}$  at 20°C, shall be calculated by means of the formula:

$$R_{20} = \frac{R_t}{1+0.004 (t-20)}$$

It is the actual temperature in °C during the measurement.

4.2.6 TENSILE STRENGTH AND ELONGATION:

A sample of conductor 250mm long between grips shall be steadily stretched at a rate not more than 100mm/min until the conductor fractures. The tensile strength and elongation at fracture shall comply with the requirements of Table 2 to IS:6162 (Part-I).

#### 4.2.7 FREEDOM FROM DEFECTS:

The conductor shall be finished clean and smooth and shall be substantially free from silvers spills, dust, cracks and other defects.

#### 4.2.8 TESTING:

Material shall be tested in accordance with provisions of IS:6162 (Part-I).

##### 4.2.8.1 ACCEPTANCE TESTS:

The following tests shall be carried out as acceptance tests for which supplier must possess the testing facilities equipment at their works.

- i. Dimensional test
- ii. Measurement of tensile strength and elongation of conductor
- iii. Measurement of resistance of conductor
- iv. Measurement of tensile strength of paper in machine direction.
- v. Oil absorption test (The available width of paper shall be taken instead of minimum 50mm specified).
- vi. Wrap test of conductor

The test results will indicate the actual values obtained during testing. The tenderers should, therefore, specifically indicate availability of testing facility/equipment at their works.

#### 4.2.9 PACKING AND MARKING:

4.2.9.1 The reels used for packing shall conform to IS:482-1981. The wire shall be tightly & evenly wound on reels in such a direction that when unrolled, the exposed edge of the overlap of the outer layer of the paper is towards the reel.

4.2.9.2 Each roll shall contain one continuous length of wire, free from joints.

4.2.9.3 The label, which is to be securely attached to the reel, shall have the following information:-

- a) A reference to the Indian standard
- b) Manufacturer's name or trade mark, if any.
- c) Grade of covering.

- d) Nominal weight of reel.
- e) Gross weight of reel.
- f) Tare weight of reel.
- g) Weight of wire.

#### 4.3 DOUBLE PAPER COVERED ALUMINIUM STRIPS (RECTANGULAR)

##### 4.3.2 CONDUCTOR:

The conductor shall be manufactured from EC grade Aluminium ingots conforming to IS:4026, and shall be 'o' condition, having the physical constants as given here under:-

##### 4.3.2.1 RESISTANCE

The resistance at 20°C of an Aluminium conductor 1m in length and of uniform cross-section area of 1mm<sup>2</sup> shall be 0.0280 ohm.

##### 4.3.2.2 DENSITY

The density at 20°C shall be taken as 2.703 g/cm<sup>3</sup>.

##### 4.3.2.3 COEFFICIENT OF LINEAR EXPANSION

The coefficient of linear expansion at 20°C shall be taken as 23x10<sup>-6</sup> per degree Celsius.

##### 4.3.2.4 CONSTANT MASS TEMPERATURE COEFFICIENT

The constant mass temperature coefficient of resistance at 20°C measured between two potential points rigidly fixed to the conductor, shall be taken as 0.004 per degree Celsius.

Note: For any temperature t above 0°C, the temperature coefficient of resistance is

$$\frac{1}{230 + t}$$

##### 4.3.2.5 RADIUS ON CORNERS

The conductor shall have radius corners. The radius of curvature nature being in accordance with table-3 to IS:6160.

The arc shall merge smoothly into the flat and the conductor shall be free from sharp, rough and projecting edges. The specified radii shall maintained within  $\pm 25$  percent.

Note: Tolerance on dimensions shall be as per table 2 of IS: 6160.

### 4.3.3 PAPER

#### 4.3.3.1 GRADE OF PAPER

The paper, before application, shall be free from metallic and other injurious inclusions, shall have no deleterious effects on insulating oil and shall be of such quality that it will satisfy all the requirements of clause 5.2 to 5.8 of paper specified in IS:6162 (Part-I). It will be of Ballarpur make or other makes as per Annexure-'I'.

#### 4.3.3.2 APPLICATION OF PAPER:

i. GENERAL:

To prevent the inclusion of Aluminium dust or other extraneous matter under the paper covering, the conductor shall be fully cleaned by felt pads or other suitable means immediately before entering the paper covering machine. Each layer of paper shall be continuous, firmly applied and substantially free from creases. No bonding or adhesive material shall be used except to anchor the ends of paper. Any such bonding or adhesive material shall have no deleterious effects on transformer oil, insulating paper the electric strength of the covering.

ii. WIDTH OF PAPER:

The width of paper from different layers shall not exceed 1.5 times the sum of the width and thickness of the conductor with a maximum of 25mm.

iii. THICKNESS OF PAPER:

The thickness of paper used shall be between the limits of 0.025 and 0.13mm both inclusive with a total minimum increase in dimension of 0.25 mm due to covering.

iv. ARRANGEMENT OF PAPER:

Both the layers shall be overlap wound in the opposite directions. Further, each paper tape shall be wound with each turn over-lapping the proceedings turn by not less than 25% of paper width.

4.3.4 INCREASE IN CONDUCTOR DIMENSIONS DUE TO COVERING:

The increase in dimensions due to covering shall not exceed the specified nor it shall be less than that specified by more than the appropriate tolerance stated in Table-2 of IS:6162 (Part-II).

4.3.5 RESISTANCE:

The resistance of the conductor shall be expressed as the dc resistance at 20oC. The method used shall provide an accuracy of 0.5 percent.

One measurement shall be made.

If the resistance  $R_t$  is measured at a temperature  $t$  other than 20oC, the resistance  $R_{20}$  at 20oC shall be calculation by means of the following formula (the value for multiplier constants shall be in accordance with the clause 3.2.5 of IS: 6160-1971).

$$R_{20} = \frac{R_t}{1 + 0.004 (t-20)}$$

The measured value of resistance shall not be greater than the value calculated from the dimensions of the conductor and the appropriate value of resistivity as specified in clause 3.2.2.1 of IS: 6160-1971.

#### 4.3.6 TENSILE STRENGTH AND ELONGATION:

A sample of conductor 50mm (or  $4\sqrt{\text{Cross sectional area}}$ ) long between grips shall be steadily stretched at a rate not more than 100 mm/min. until the conductor fractures. The tensile strength and elongation at fracture shall comply with the requirement of Table-I of IS: 6160-1971.

#### 4.3.7 FREEDOM FROM DEFECTS:

The conductor shall be finished clean and smooth and shall be subsequently free from oilers spills, cracks and other defects.

#### 4.3.8 TESTING:

Material shall be tested in accordance with the provisions of IS: 6162 (Part-II).

##### 4.3.8.1 ACCEPTANCE TESTS:

The following tests shall be carried out at manufacture works as acceptance tests for which supplier must possess testing facilities/equipment at their works.

- i. Dimensional test
- ii. Measurement of tensile strength & elongation of conductor.
- iii. Measurement of resistance of conductor.
- iv. Measurement of tensile strength of paper in machine direction.
- v. Oil absorption test (The available width of paper shall be taken instead of min. 50mm specified)/

The test results will indicate the actual values obtained during testing. The tenderers should, therefore, specifically indicate availability of testing facility/equipment at their works.

#### 4.3.9 PACKING AND MARKING:

4.3.9.1 The drums used for packing shall conform to IS: 2069-1981. The strip shall be tightly & evenly wound on drums in such a direction that when unrolled the exposed edge of the overlap of the outer layer of paper is towards the drum.

4.3.9.2 Each drum shall contain one continuous length free from joints. The weight of strip would on each drum shall not exceed the maximum value of capacity for the drum, as specified in the Table-I of IS: 2096.

4.3.9.3 The label which is to be securely attached to the drum shall have the following information:

- i. Manufacturer's name or trade mark, if any.
- ii. Dimensions of the conductor.
- iii. Grade of covering.
- iv. Increase in dimensions due to covering.
- v. Gross weight of drum.
- vi. Tare weight of drum.
- vii. Weight of the strip (gross and net).
- viii. Number of lengths, if there is more than one length wire in the drum.
- ix. Identification/serial number of the drum, if any.

4.3.9.4 The label may also marked with ISI certification mark of the product where applicable.

## 5. MANUFACTURE:

Place of manufacture, testing and inspection of material must clearly be indicated by the bidders in their tenders.

The material bearing ISI certification mark may be prepared. The firms having licence/authorization for use of ISI certification mark on their products, should clearly and prominently indicate the fact in their tender. A copy of such licence/authorization should be submitted by the bidders along with their tender.

## 6. INSPECTION:

The supplier shall ensure proper testing/inspection as per the provision of the latest edition with up to date amendments of the relevant standards/specification of material to the satisfaction of the purchaser or his authors representative, before dispatches, irrespective of the fact that

whether the facility for any of such test(s) is available at his works or not,. It shall be the entire responsibility of the supplier to arrange for all tests from the approved/Govt. Testing Centre/Laboratories in the presence of Board's representative where required. The names of such Approved Govt. Testing Centre/Laboratories etc. shall, however, be clearly indicated in the tender.

The results of all the tests, shall be made available to the purchaser, before the material is allowed for dispatch so as to satisfy him (the purchaser) that the material fully conforms to the specified standards/quality.

The Inspection and testing of material shall, however, be done by the purchaser, as per clauses-23 stipulated in the UHBVN's Schedule 'D'. The manufacturer of DPC wire/strip must possess and shall produce on demand certificates of tests performed on paper used in the offered material as per relevant IS: 6162 Part-I/Part-II respectively.

The manufacturers/suppliers having their own testing facility as per the requirements of relevant standards, may be given preference. The tenderers should, therefore, specifically indicate the availability of testing facility / equipments at their works for conducting all the tests as per relevant ISS.

A complete test certificate issued by a Govt. proved Test House (issued within last 12 months from the date of submission showing all the tests results as per relevant IS shall be attached with the tender. The tenderer shall certify that the raw material / method of manufacturing used in the offered material is the same that used in the manufacture of sample tested.

#### 7. QUANTITY TOLERANCE:

A quantity tolerance of  $\pm 2\%$  on the total ordered quantity is permissible against the purchase order, if placed subject to maximum variation of  $\pm 5\%$  of the ordered quantity for any single size.

8. APPRAISAL PERFORMA:

Tenderers, who quote for the material referred to in this specification for the first time to the Board, shall submit the requisite information in respect of their company/works, regarding their capability and capacity to manufactures. The said item and its testing facility etc. on the prescribed appraisal Performa as per Annexure-III enclosed (in duplicate) along with their tender/quotation.

The firms must quote their manufacturing capacity/capability with the existing infrastructure. Further the firms must also quote along with the tender, the list of pending orders with quantity as on the date of submission of tender in respect of PSEB or any other organization, including Pvt. Or Govt. undertaking.

9. RANDOM TESTING:

On receipt of material in the Stores/Workshops, the Uttar Haryana Bijli Vitran Nigam may check the material. If the shortage/deviation from declared size/specification is noticed the same shall be reported immediately by the consigns to the suppliers under intimation to all concerned. On receipt of such information from consignees, the C.E./MM, UHBVN shall fix a date and time for joint verification under intimation to the supplier and all concerned giving a minimum 10 day a time. The testing shall be carried out in the presence of firm's representative at Destination Station. If the representative of the firm does not happen to be present at destination for joint verification on the specified date and time so fixed, then the purchaser/representative of UHBVN shall be at liberty to do joint verification in the absence of firm's representative and shortage/discrepancies so detected shall be applied on the full lot.

In case shortages/discrepancies, in particular lot supplied to various consignees, are also noticed by different consignees, the above procedure shall be followed for joint verification by each and all such consignees. The maximum shortage description date to by of the consignees shall be

applied to the entire lot of material supplied to various consignees. In case of any failure of material during random testing, the entire lot shall be rejected at the risk and cost of the supplier.

In case of repeated shortages/discrepancies, the firm shall be liable for suspension of business/black listing. This is without prejudice to the other right arising/accruing to the purchaser under various clause of this tender specification and Purchase-Order-cum-Contract Agreement/Rate Contract.

10. PAST PERFORMANCE:

The past performance of the firms on whom orders have been placed by this office for this material in the past shall be taken into, consideration while deciding the tender. The firms with unsatisfactory performance are likely to be ignored, even if, otherwise found technically acceptable and coming within the zone of consideration.

11. RAW MATERIAL:

The raw material shall conform to specification as laid down in relevant ISS with its latest amendments, if any. The supplier/contractor shall be solely responsible for the procurement of raw material required for the purpose.

12. SHORTAGE

Maximum shortage observed by the Inspecting Officer in any of the drum/reels checked/measured shall be applied on all the drums/reels offered for inspection and declared quantity will be reduced accordingly. The verification of weight to be done by the consignees shall be over and above. The result obtained in their checking and shortage, if any shall be applicable on the whole inspection lot.

13. ANNEXURES

The bidder shall submit the following Annexures (as per format) which are part and parcel of the specification:

Format A	Guaranteed Technical particulars
	Deviations from specifications
	Deviations from specified standards
	Deviations from specified test requirements

DATE:

ANNEXURE 'B' TO SCHEDULE 'D'(Part-I)

**SCHEDULE OF DELIVERIES**

Sr. No.	Name of item / Specification	Name of consignee	Delivery Schedule
	DPC Al. Wire as per Nigam Technical Specification no CSC-50/R-I/DH/UH/P&D/2009-2010	Any Where in Haryana	<b>ITEM SPECIFIC AS PER REQUIREMENT (to be decided/approved by CE/MM while issuing NIT)</b> <b>For the 1<sup>st</sup> P.O.</b> the 25% of ordered quantity within 60 days from the date of receipt of purchase order and remaining material shall be supplied in three equal monthly lots. <b>For subsequent POs</b> the delivery with 25% of ordered quantity within one month from the date of issue of purchase order and remaining material shall be supplied in three equal monthly lots.

Note:-

1. The delivery schedule as mentioned above shall be read in conjunction with the clauses of type test and drawing mentioned in schedule – D ( Part- II ) , wherever applicable.
2. The material should be supplied to the consignees within 15 days of issue of dispatch authorization or within contractual delivery period whichever expires earlier. After this period, the firm will supply the material at its own risk and responsibility. The acceptances of such material with or without re-inspection upto the scheduled delivery period shall be at the sole discretion of Chief Engineer/MM, UHBVN/ DHBVN. Thereafter, Nigam will have a right to refuse or accept such delayed material on the applicable rates, terms & conditions.

**BANK GUARANTEE PROFORMA**

This agreement is made this \_\_\_\_\_ day of \_\_\_\_\_ (a) \_\_\_\_\_ between \_\_\_\_\_ (b) a company registered under banking Companies Act/or any other Act to be specified, having its registered office at \_\_\_\_\_ (c) called the guarantor which expression shall unless repugnant to the context or meaning thereof, include its successors and assigns of the first part M/s \_\_\_\_\_ (d) a Company/firm registered under the companies Act 1956/ partnership firm/proprietorship firm having its registered office at \_\_\_\_\_ (e) (hereinafter called the suppliers which expressions shall unless repugnant to the context or meaning thereof, include its successors and assigns) of the second part at the UHBVNL, a body corporate under company Act 1956 (hereinafter called the purchaser, which expressions shall unless repugnant to the context or meaning thereof, include its successors and assigns) of the third part.

Whereas the supplier has interalia agreed with the purchaser to supply the purchaser \_\_\_\_\_ (f) on the terms and conditions contained in the contract No. \_\_\_\_\_ dated \_\_\_\_-- (g) placed by the purchaser on the suppliers and accepted by the suppliers.

And whereas under clause \_\_\_\_\_ (h) of the said contract, the supplier is required to furnish a bank guarantee for a sum of Rs. \_\_\_\_\_ (i) being the \_\_\_\_\_ (j) value of all the consignments of the above material on account of retention money, which but for this guarantee value be withheld by the purchaser till such time that the material is received in good condition and in accordance with the specification of the same to guarantee the payment of the retention money on bills submitted against supply of material/repair of equipment on order from time to time upto a maximum amount of the sum Rs. \_\_\_\_\_ (k).

And whereas at the request of the supplier the purchaser has agreed not to retain \_\_\_\_\_ (l) of the contract price of all the consignments and in lieu thereof to accept Bank Guarantee from the Guarantor for the due performance of the said contract by the said supplier on the terms and conditions herein contained. Now this deed, therefore, witnessh and it is hereby agreed by and between the parties hereto as follows:-

The Guarantor hereby guarantees to the purchaser the quality, workmanship and design of all the consignments of \_\_\_\_\_ (m) in accordance with the prescribed specifications and the terms of the said contract and agrees to indemnify and keep indemnified the said purchaser to the extent of Rs. \_\_\_\_\_ (n) in the aggregate against all losses, damages, costs, charges and expenses which maybe suffered or incurred by the purchaser on account of any defect in the material supplied or on account of any breach on the part of said supplier or any of the terms and conditions of the said contract in the supply/repair of the consignments. The guarantor further agrees the said purchaser shall be the sole judge whether the supply/repairs have been made according to the prescribed specifications, design and workmanship as laid down in the said contract and the supplier had committed breach or breaches of any of the terms and conditions of the said contract and the extent of loss/damage, cost, charges, l or expenses suffered or incurred by the purchaser on account thereof and the guarantor shall immediately on receipt of any claim or claims from the said purchaser pay to the extent of the amount specified above "without demur or objection".

The guarantor further agrees that this guarantee shall remain in full force and effect for \_\_\_\_\_ (o) months from the date of dispatch of material by the said supplier under the said contract i.e. upto \_\_\_\_\_ (p)

उत्तर दक्षिण हरियाणा बिजली वितरण निगम  
UTTAR DAKSHIN HARYANA BIJLI VITRAN NIGAM

The guarantor also agrees and undertakes not to revoke this guarantee before the same is discharged as aforesaid except with the previous consent of the said purchaser in writing.

The guarantor here by further agrees that the said purchaser shall have the full liberty without effecting in any manner the obligation of the guarantor hereunder with or without the consent of the guarantor to vary any of the terms of the said contract or to extend time for performance of the said contract by the supplier from time to time or to postpone for any time or from time to time any of the power exercisable by the purchaser against the said supplier and either to forbear or enforce any of the terms or conditions relating to the said contract and the guarantor shall not be relieved from his liability by reasons of any variation or any extension being granted to the said supplier or for any forbearance, act or omission on the part of the said supplier or any indulgence by the said purchaser to the said supplier or any such matter or thing whatsoever which under the law relating to sureties would but for this provision have effect of so relieving the guarantor. Nor shall it be necessary for the said purchaser to sue the said supplier before suing the said guarantor for the amount/damages due under the deed of guarantee.

In witness whereof the parties hereto put their respective hands on the day and the year first above mentioned.
