Subject: Implementation of National Apprenticeship Promotion Scheme.

Dear Shahank.

As you are already aware that Skill Development & Industrial Training Department is doing its best efforts for successful implementation of National Apprenticeship Promotion Scheme (NAPS) under Apprentices Act, 1961, in the State of Haryana Apprenticeship Training gives an opportunity to enhance the skills in youth by deploying them on practical work in organizations. For this, the schedule for engaging apprentices in Govt. Departments/Boards/ Corporations/ Universities/ SPSUs is also published in newspapers time to time by this department. For monitoring & implementation of NAPS "District Apprenticeship & Aatmnirbhar Committee" has been also constituted under the Chairmanship of respective Deputy Commissioners in all districts. The progress in this scheme is also reviewed by Worthy Chief Secretary Haryana every year.

As per the decision of Government, Government Departments and SPSUs are to engage apprentices up to 10% of the total manpower, including contractual / outsourced, in suitable trades.

I would therefore like to request you to kindly take necessary action for engaging apprentices up to 10% of the total manpower in directorate and field offices of your department.

Best wishes

PC Meena
